

## What is Summer Camp all about?

The Animal Rescue League of NH's Camp Critter is for children who love animals! Our diverse program covers responsible pet ownership, safety around animals, dog bite prevention, animal behavior, wildlife, and much more! Each day will be fun-filled with crafts, games, guest speakers, and other fun activities.

Please Note: We make every effort to include shelter animals within the camp program but one-on-one time with shelter animals is limited and closely monitored.

## About the ARL of NH

The Animal Rescue League of NH is a non-profit organization, incorporated in 1904, with the mission to protect, rescue, and adopt animals to the public. The ARL receives no Federal, State, or United Way funds for support and is solely dependent upon fundraising events and private donations to support its cause.

Each year the shelter helps approximately 2,300 animals by providing them a safe haven until loving and adoptive homes can be found for them. We also intervene in cases of animal cruelty.
