

The Animal Rescue League of New Hampshire

Monthly Mews

June 2010

Open: Tuesdays & Thursdays 1-7pm; Fridays, Saturdays & Sundays 12-5pm

JUNE IS ADOPT A SHELTER CAT MONTH

GIVE A SHELTER CAT A STARRING ROLE IN YOUR LIFE!

Approximately 4 million cats end up in shelters every year, including thousands born every spring and summer during Kitten season. Your local shelter is brimming with cats of every breed, age and personality just waiting for a loving home. Whether you prefer young and frisky or mature and mellow, you're sure to find the perfect cat companion during Adopt-A-Shelter-Cat Month!

Things To Do Before You Bring Your New Cat Home

Make Sure Everyone In The House Is Prepared To Have A Cat: Talk to your family before bringing a new cat home. Make sure everyone knows that the fun begins only after Kitty feels safe. Once everyone is ready, divide the chores of feeding, litter changing and grooming.

Cat-Proof Your Home: When your cat is ready to explore be sure to get rid of stray items she might chew on or swallow, like toilet paper, tissues and paper towels.. You may also have to tape wires to baseboards and put caps on outlets.

Stock Up On Supplies Before Kitty Arrives: A litter box - Food and water bowls - A sturdy, rough-textured scratching post - Safe, stimulating toys - A bed lined with a soft, warm blanket or towel and Grooming tools: a high-quality brush and nail clipper are a good start.

A Room Of One's Own: Choose a low-traffic room your kids and other pets don't frequent. This will be your cat's safe space to sniff, eat, scratch and play while she gets used to her new home
