August is Clear The Shelters Month!

Clear The Shelters in August 2025 is a nationwide pet adoption and donation campaign that helps find loving homes for animals in need.

Clear The Shelters partners with shelters and rescues across the country, where adoption fees are waived or heavily reduced to help promote adoption.

Did You Know?

Each year in the US, more than 6 million pets enter the rescue and shelter system.

Top Reasons to Adopt a Pet Rather Than Buy

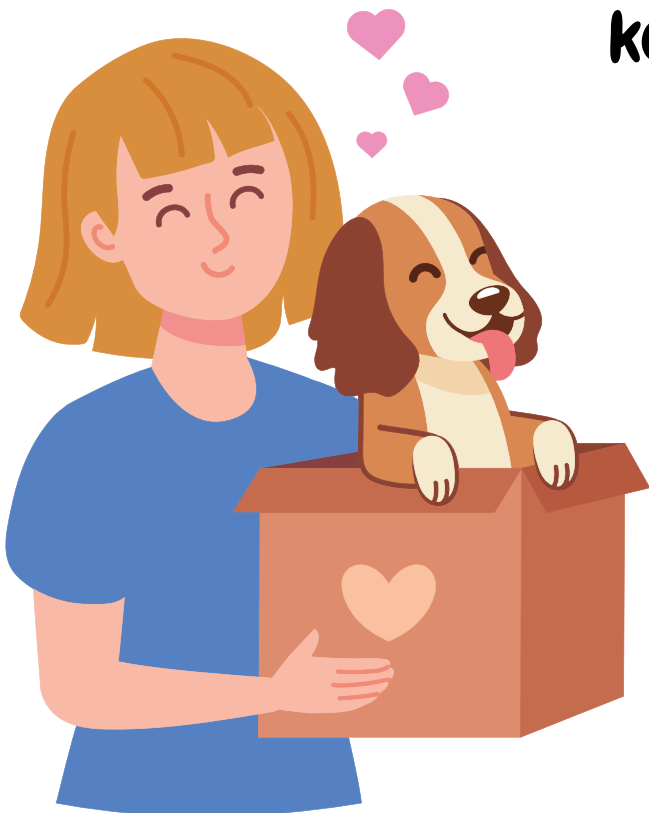

Reasons to adopt:

- You aren't supporting inhumane puppy mills.
- You are helping fight pet overpopulation and saving the lives of homeless pets.
- You will save money compared to buying a pet.
- Pet adoption offers the choice of pets of all ages.
- You can work with the adoption team to find a pet who fits into your family the best.
- You get just as much love (if not more). An adopted pet is every bit as loving, intelligent, and loyal as a purchased pet.

Our Book of the Month!

The scrawny cat used to belong to someone, someone who scratched his ears and let him lick her chin and knew his name. Now the only thing anyone ever calls him is “get out of here!” But when a snarling dog and a blowing rain turn the scrawny cat into a sailor cat, he learns that even a scared and shivery stray can find a kindred soul at the end of a storm-tossed night.
